Dear Friends,

As Chair of the Congressional Asian Pacific American Caucus, I am honored to extend my congratulations to the US Pan Asian American Chamber of Commerce Education Foundation as USPAACC celebrates its 41st year and hosts the annual CelebrASIAN Business + Procurement Conference.

For over forty years, USPAACC has championed the growth of Asian American businesses, fostering entrepreneurship, promoting economic success, and expanding opportunities for small businesses nationwide. Through CelebrASIAN and other programming, USPAACC empowers Asian Americans and Pacific Islanders (APIs) across the country to learn essential skills for running a business and sets our community up for long-term success. As the daughter of small business owners, I understand the importance of a strong support network, and I commend USPAACC for its steadfast dedication to connecting API entrepreneurs with valuable opportunities.

Please accept my sincere congratulations on your continued success and meaningful impact to our community.

Sincerely,
