It is my honor to congratulate the US Pan Asian American Chamber of Commerce Education Foundation (USPAACC) on 41 incredible years of promoting the success of Pan Asian Americans and AANHPI businesses across the nation.

The entrepreneurial spirit and stellar work ethic of Asian Americans is critical to the strength of our community.

As the Executive Board Member of Congressional Asian Pacific American Caucus and a proud Asian American immigrant and business owner myself, I understand how critical Asian American entrepreneurs are to the prosperity and economic success of our nation, and I applaud USPAACC for all of the remarkable work that they've done over the decades to empower Asian American business owners and foster success in our community.

Your advocacy makes our country a better place for everyone.

Congratulations again on all of your success and thank you so much for all of the great work that you do.

Sincerely,

A handwritten signature in blue ink that reads "Shri Thanedar".
